DISCOVER THE DIGITAL FUTURE OF EUROPEAN STUDENT ID CARDS!

EUROPEAN STUDENT CARD PROJECT Münster Interim-Conference 2017

WHEN?

June 6, 2017

WHERE?

Münster, Germany

WHAT?

- Conference on the vision and future potential of a European Student Card (ESC)
- Relevance and opportunities for universities and Student Services
- Utilization of the ESC and practical implementation
- Progress and current state of development in the ESC pilot project
- Presentation of the first prototype
- Practical workshop on technical requirements

WHAT ELSE?

The ESC conference is free of charge and particularly useful for IT specialists of European institutions of higher education as well as student services professionals. The conference takes place as a pre-conference workshop of the annual EUNIS congress on June 7-9, 2017 in Münster.
