

June 6th, 2017
ESC Conference of dissemination
Münster, Germany

Magda Mantegazza - EDUCatt

Ente per il Diritto allo Studio Universitario
dell'Università Cattolica

Milano - Brescia - Piacenza and Cremona - Roma

UCSC Libraries

5 campuses | 5 libraries

One on-line catalogue (OPAC - *Online Public Access Catalogue*) for shared access to over:

- 1.900.000 printed books
- more than 26.000 printed periodicals
- nearly 400,000 e-books
- 47,000 e-journals
- more than 600 databases

Reservations are only available on-campus:

for organizational reasons and the protection of intellectual property, these services are available in off-campus mode to UCSC members, but not to other types of users.

UCSC Libraries

The core Library management system used by UCSC is **Sierra by Innovative Interfaces**.

All professors, researchers, students and staff get access to the libraries by default.

Access to physical resources

- access is **free** for international students: they are allowed to access the Library services showing their UCSC student card
- **controls** are performed by Library staff with special procedures for accessing reading rooms hosting valuable or rare volumes.

UCSC Libraries

Access to digital resources

- the UCSC Library System website can be accessed using a browser from a PC or a mobile device, when logged into the UCSC wi-fi network, by anyone having a valid UCSC wi-fi account. This means that at present it can be accessed **only on-campus**: no off-campus access is supported
- **wi-fi account and password** are generated and made available to UCSC students and staff.

Canteen Payment System: overview

Smart Card in UCSC

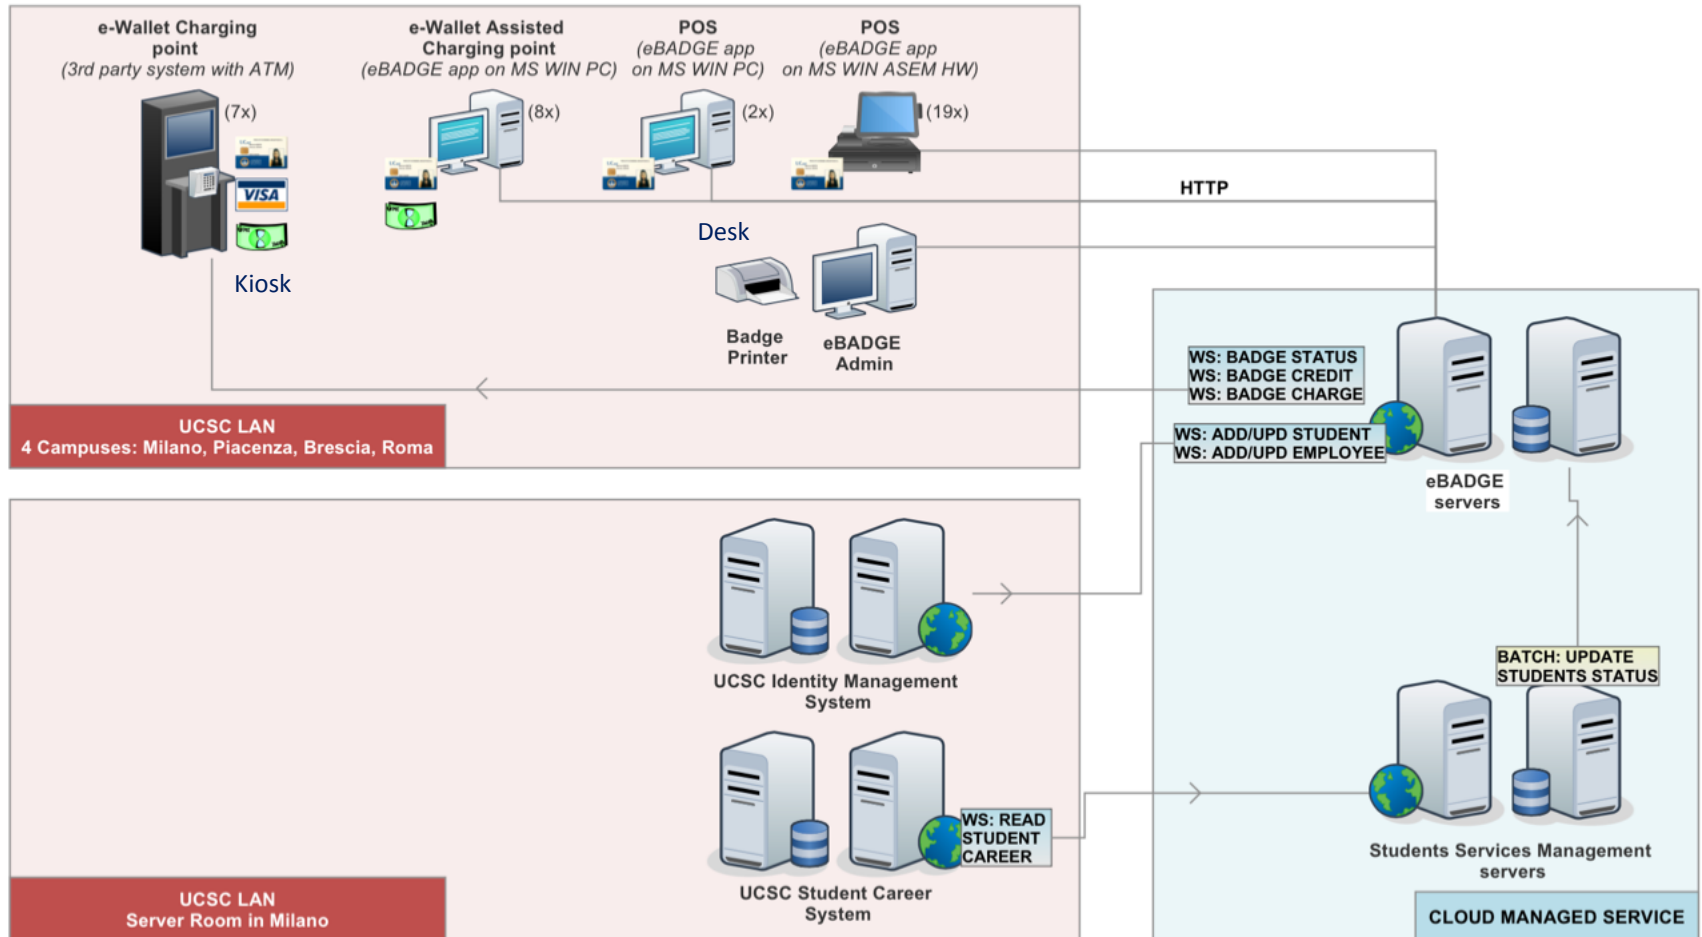

- they are issued directly by UCSC and in some cases by EDUCatt
- the access to the Canteen Payment Management System: eBADGE (developed by IN4MATIC)

eBADGE for EDUCatt

- electronic wallet management
- no cash needed when paying at the canteen; students can deposit credit going to Charging Desk/Kiosk (accepting cash or credit card)
- no service data is stored on the card, only the Student ID
- POS and Charging Desk read the Magnetic Stripe; eBADGE SW also supports RFID
- the system can apply specific price options based on student career and economic profile
- the system works on-line or off-line in case of temporary loss of data connection
- the system is hosted on a central server and accessed in 4 campuses: Milano, Piacenza, Brescia and Roma

Canteen Payment System: UCSC LAN

Health-care services and psychological counselling

The **Health-care** Service provided by EDUCatt operates in Milan, Brescia, Piacenza and Rome

Terms of use

The service is open to all **UCSC regularly enrolled students** upon presentation of a valid university identification document (student card or transcript of records)

Services available

- **nurse services and general medical examinations**

Nursing staff and general practitioners are on duty for the entire opening hours. The service is free.

- **specialist medical examinations**

The medical specialists - ophthalmologist, gynecologist, dermatologist, dietician - visit students by appointment. Service for a fee.

Thank you for your attention!
