About EUCOR

- 5 universities in France, Germany and Switzerland :
→ Basel, Karlsruhe, Freiburg-in-Breisgau, Haute-Alsace, Strasbourg
- Main actor engaged in research and higher education in the Upper Rhine Trination Metropolitan Region since 1989
- 2016 : Creation of a European Grouping for Territorial Cooperation (EGTC) « Eucor – The European Campus »
→ 1st EGTC carried by universities

A strategic flagship project

5,5 million euros from the European Union, 3 Interreg-projects :

- Building Eucor – The European Campus: Cross-border structures
- Research cluster in sustainability
- Establishment of a trinational graduate academy focusing on risk management (*together with the University of Coblenz-Landau*)

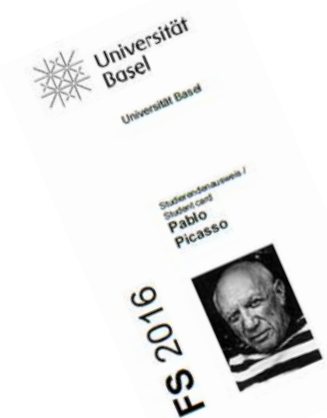

Objectives

- Expanding into an internationally attractive science and research area without walls nor borders
- Attracting the best international professors, PhD students and students
- Preserving the autonomy of the partner universities, while submitting joint funding proposals
- Having joint professorships, joint administrative personnel, joint doctoral candidates and students, joint service departments
- Developing joint research projects and dual degree
- Removing administrative barriers to facilitate cross-boarder cooperations
- Implementing common research infrastructures

Mobility inside the european campus

- Free mobility between the campuses
- Different types of mobility
 - Joint curriculars and double degrees
 - Teaching cooperations
 - Staying at a partner university
 - Taking one course in a partner university (weekly mobility)
- Working group « Mobility »: erasing administrative obstacles to student mobility
